ABOUT THE PROGRAM

Elf is a 2003 movie starring Will Ferrell as man raised as an elf at the North Pole who, after inadvertently wreaking havoc on the elf community due to his ungainly size, is sent to the U.S. in search of his biological family.

In the CLE seminar that follows a screening of *Elf*, a panel will discuss adoption, which involves the rights of three "triad members": the birth parents, the child, and the adoptive parents. Professionals working in adoption need to act ethically to ensure the rights of all parties are protected at all points in the process.
