ABOUT THE PROGRAM

Our men and women in uniform protect the interests of the community and the nation in an ever-increasing dangerous world. This seminar seeks to educate those who represent members of the armed forces and National Guard in the areas of law which affect their clients the most and provides them with concrete plans for effective representation of veterans in multiple areas of law. Attendees will learn about global health issues; insurance and benefits; suicide, addiction and other personal crises; Veteran’s Court; and pro bono opportunities, as well.
